Why Go Ventless?

Wells Ventless Solutions are a great alternative to traditional Type-1 ventilation for several reasons:

- ✓ Historic buildings prohibit traditional ducted hoods and/or rooftop fans for ventilation
- ✓ Extensive duct-work for traditional hoods may be cost prohibitive in high-rise buildings, stadiums, and arenas
- ✓ Many building designs including malls, food courts, airports, etc., do not lend themselves to traditional hood installations
- ✓ Ventless hoods are considered equipment and may be depreciated quickly, providing a valuable tax benefit
- ✓ Ventless hoods are a portable asset making them a perfect solution for leased spaces
- ✓ If no extra hood space is available, Wells Ventless Solutions create the added capacity allowing for higher volume production and/or menu expansion

Why Go Ventless?

Wells Ventless Solutions are ideal for all kinds of food service...

Wells Ventless Solutions offerings do not need to be vented outside, making these hoods ideal for locations where traditional Type-1 hoods aren't an option

Wells Ventless is also a great solution when outside vented hoods are cost-prohibitive

VCS 2000 Series Ventless Cooking Systems

VCS 2000 pricing and specs on pages 8-10

VCS 2000 Ventless Cooking Systems

Ventless Cooking Systems (VCS) have everything you need in one complete package. Wells has combined electric cooking equipment, ventilation, and fire protection making it easier to cook anywhere.

VCS models equipped with cooking equipment built right in to the ventless hood system. This gives you the opportunity to “set up shop” in any well-ventilated room, and/or expand your production with a wide variety of equipment configurations

- All-in-one ventless systems include ventilation, fire protection, and cooking equipment
- 1Ø or 3Ø. 3Ø models have single point connection w/ cord & plug
- Various voltages available
- Interlock system - this safeguard will not power heating elements if filters are not in place

MODULAR DRY WELL WARMER

MODULAR DRY WELL

- Saves precious water resources
- Eliminates the costly labor needed to fill and maintain wet wells
- Eliminates the risk of expensive leaks and damage from poor water quality that occur with traditional wet wells

PATENT PENDING

Constructed in the U.S.A. with a corrosion-resistant type 430 stainless steel body
Units include factory-attached infinite controls for each individual well

Same sizes as Wells MOD Series for easy replacement. One model for all pan depths

APW/Bakers Pride/Star Holdings Group (Holman, Lang, MagiKitch'n, Star, Toastmaster & Wells)

Minimum Advertised Price & Minimum Resale Internet Cart

MINIMUM ADVERTISED PRICE (MAP) POLICY

This Policy applies to all means of Advertised Pricing for all Middleby Commercial Foodservice Brands

The APW/Bakers Pride/Star Holdings Group (hereinafter "the Group") and the Middleby Corporation (hereinafter "the Corporation") is committed to supporting our Authorized Dealers and Resellers selling the Group's products in or into the United States & Canada by continuing to provide high-quality, premium products for the foodservice industry while maintaining its brand equity and integrity. This Minimum Advertised Price Policy ("MAP") applies to ANY and ALL means of Advertised Pricing, to Any and ALL customers, for all Brands within the Group and the Corporation. Advertising at a price below MAP will be considered a violation of this Policy. This MAP Policy will apply to any activity which the Group or the Corporation determines, in their sole and absolute discretion, is designed or intended to circumvent the intent of this MAP Policy.

- MAP Policy pricing is the Current List Price less 45% for all Group products; and advertised at a price no less than rounded down to the nearest whole number off the Current List Price.
- If a Dealer offers or combines (i.e., "bundling") one or more products from a single or multiple brands of the Group or the Corporation in an advertisement, the aggregate price for all products by the Group and Corporation offered for sale in combination may not be lower than the cumulative MAP for each of the products when sold separately.
- At the Dealer's sole expense, the Dealer may offer or combine the following items of casters, warranty or freight into their product's sell price; not to be below the product's MAP price.

The MAP Policy applies to any advertisements of the Group's products and designs in any and all media, including but not limited to, print advertising (e.g. magazines, catalogs, newspapers, posters, flyers and direct mail), e-mail and facsimile advertising (e.g. broadcast campaigns, flyers, coupons and similar inserts), internet or similar electronic media (e.g. Amazon, eBay, Google), Dealer websites, internet banner ads, social media blasts, social networks, search engine advertising and all other types of digital signage.

All internet advertised prices must show the product's "MAP" price or higher. Any communications stating or implying that a price below MAP may be found elsewhere on the site, that is initiated by the Dealer, would constitute advertising and would be deemed a violation of this MAP Policy. Dealers may not make any statements, displays, or communications that indicate, state, imply, or suggest that a lower price may be found at the online check out, including but not limited to: "Call for Pricing", "Chat for Pricing", "Text for Pricing", "Click for Pricing", "Email for Pricing", "Add to Cart for Pricing", "Mouse Over for Pricing", "Log In for Pricing", strike-through the price, or any of the like. This includes "shopping cart price", "chat box price" and "emailed price" that appear on the internet in any format on any Dealer's public internet website or public internet-based account, including internet search engine shopping feeds, are all subject to the Group and the Corporate MAP Policy. Website features such as automated "bounce-back" pricing emails, pre-formatted email responses, forms, automatic price display, loyalty and reward point systems and other similar features are considered "advertising" under this MAP Policy. Under this MAP Policy, the Group and the Corporation prohibit the use of split-screen, side-by-side advertising, or pop-ups to advertise a similar product of any other brand other than those that are manufactured by other brands within the Corporation. The Group and the Corporation prohibit any Dealer from redirecting (automatically, inadvertently or otherwise) a customer who is in search of a product of the Group, the Corporation or item number to any other non-Middleby brand.

No Dealer may advertise a product of the Group or the Corporation at a price in violation of this MAP Policy on any third-party platform such as Amazon, eBay, Google or any like platforms in which it may operate as a vendor or have a re-distributor operate on its behalf. No Dealer may advertise a price in violation of this MAP Policy in an effort to match or beat a competitor's price. It is a violation of the MAP Policy to advertise a price below MAP pricing, even if such advertised price was automatically or manually generated due to a MAP Policy violation by a vendor or competition another medium or platform.

From time to time, the Group or the Corporation may discontinue certain products or engage in promotions with respect to certain products. In such events, the Group and the Corporation reserve the right to modify or suspend the MAP Policy with respect to the affected products at its sole discretion. Such changes shall apply equally to all Authorized Dealers of the Group and the Corporation.

MINIMUM RESALE INTERNET CART PRICE (MRICP) POLICY

The Minimum Resale Internet Cart Price ("MRICP") applies to the final internet check out prices regardless of providing a customer "log in", membership or similar (e.g., shopping cart prices, chat box prices, emailed prices, and prices on the internet website or search engines) of the Group's or the Corporation's products. The Group requires that when Dealers sell select products (listed below) through internet sales that these products are subject to MRICP and are sold at a price no more than a 52% discount rounded down to the nearest whole number off the current List Price. This MRICP Policy will apply to any activity which the Group or the Corporation determines, in their sole and absolute discretion, is designed or intended to circumvent the intent of this MRICP Policy.

MAP/M.R.I.C.P. policy continued on next page

MAP/M.R.I.C.P. policy continued from previous page

The MAP Policy and MRICP Policy apply only to advertised prices and do not apply to the price at which the products are actually sold or offered for sale to an individual customer at a Dealer's place of business, including contract negotiations, or negotiations in the field. The decision to implement and enforce the MAP Policy and the MRICP Policy is solely to protect the Group's and the Corporation's brands, reputation and competitiveness and the Authorized Dealers who promote and sell their products based on quantitative and qualitative factors.

The MRICP policy applies to the following Group Brands and Brand product segments

Brands in their Entirety

POLICY VIOLATIONS

These MAP and MRICP Policies are not intended as, nor are they to be construed as, an attempt by the Group or the Corporation to set advertised or resale prices or an agreement between the Group, the Corporation and any Authorized Dealer or other party. In addition, the Group and the Corporation will not accept any assurances of compliance with these MAP or MRICP Policies from any Authorized Dealer. Each Authorized Dealer must independently choose whether to comply with the terms of these MAP and MRICP Policies. These MAP and MRICP Policies are not negotiable and will not be altered for any individual Authorized Dealer.

The Group, the Corporation or their agent(s) will conduct a reasonable investigation in response to a suspected MAP and MRICP Policy violation. Failure to cooperate by any Authorized Dealer, including retaliatory actions by any Authorized Dealer with the Group's or the Corporation's investigation will be considered an additional violation.

Failure to meet the terms and conditions of the MAP and MRICP Policies will result in full, unconditional enforcement of the penalties described below. The event of a violation will be determined solely by the Group or the Corporation.

Dealer will be subject to penalties (over a 12-month period) up to and including but not limited to:

- **1st violation:** The Group or the Corporation at a minimum will issue an email communication to the non-compliant dealer requesting their compliance to the MAP and MRICP Policies. Failure to comply within 48 hours (2 days) or a repeated offense within a 3-month period will be considered a 2nd violation.
- **2nd violation:** The Group or the Corporation at a minimum will issue an email notification to the non-compliant dealer requesting their compliance to the MAP and MRICP Policies and will hold all Group shipments and/or the Corporation, until all violations are resolved. Failure to comply within 48 hours (2 days) or a repeated offense within a 6-month period will be considered a 3rd violation.
- **3rd violation** and each violation thereafter: The Group or the Corporation at a minimum will issue an email notification to the non-compliant dealer and buying group as applicable requiring their compliance to the MAP and MRICP Policies and will result in **(a) the dealer's net pricing being increased to a price that is 50% off of the Group's then current published List Price(s) and net pricing increased to standard market discounts off ALL Middleby Corporation Brands published List Prices and (b) any and ALL available rebates, marketing incentives, or program dollars (accrued or due in total) will be forfeited.** Failure to comply within 48 hours (2 days) or a repeated offense within a 12-month period, the Group or the Corporation at a minimum will issue an email notification to the non-compliant Dealer and buying group as applicable informing them of the a) indefinite suspension of their account with the Group and ALL Middleby Corporation Brands and b) permission to use the Group's and the Corporation's brand trademarks, trade names, individual brand and corporate logos, product images and product content will be indefinitely revoked. Reinstatement of the account, preferred pricing and applicable incentives or rebates may be re-evaluated by the Group and the Corporation in their sole discretion after 30 days.

DEALER ACCOUNTABILITY

In the case of a MAP or MRICP violation by a reseller who does not have an authorized relationship with the Group's or the Corporation's brands and instead purchases the Group's or the Corporation's products from an Authorized Dealer or any other reseller (i.e., dealer-to-dealer sale), the Group and the Corporation will pursue enforcement actions against the Authorized Dealer as provided above in these Policies.

OTHER PROVISIONS

These Policies are managed by the MAP/MRICP Policy Administrator(s) for the Group and the Corporation. Only the MAP/MRICP Policy Administrator(s), Group President and Group Vice President of Sales and Marketing may provide direction to Dealers concerning compliance with the MAP and MRICP Policies. And ONLY the Group Vice President of Sales and Marketing and Group President may authorize exceptions to the Policies. No other individuals, including any employee or representative of the Group or the Corporation, may provide such direction or authorizations regarding the Group's Policies to any Dealer. It is the Dealer's sole responsibility to remain aware of any changes to the MAP and MRICP Policies.

The terms of the MAP and MRICP Policies are confidential and are not to be disclosed to other parties. The Group and the Corporation have adopted the MAP and MRICP Policies unilaterally in furtherance of its independent business strategy and reserves, at its sole discretion, the right to change the Policies and to interpret, enforce and otherwise handle all questions and issues related to the Policies.

LIMITED EQUIPMENT WARRANTY

Wells Manufacturing warrants to the original purchaser of new Wells products to be free from defects in material or workmanship, under normal and proper use and maintenance service as specified by Wells and upon proper installation and start-up in accordance with the instructions supplied with each Wells unit. Wells' obligation under this warranty is limited to a period of one [1] year from the date of original installation, or eighteen [18] months from original purchase date, whichever occurs first. Defects that occur as a result of normal use, within the time period and limitations defined in this warranty, will at Wells' discretion have the parts replaced or repaired by Wells or a Wells-authorized service agency.

THIS WARRANTY IS SUBJECT TO ALL LISTED CONDITIONS

Repairs performed under this warranty are to be performed by a Wells authorized service agency. Wells will not be responsible for charges incurred or service performed by non-authorized repair agencies. In all cases, the nearest Wells-authorized service agency must be used. Wells will be responsible for normal labor charges incurred in the repair or replacement of a warrantied product within 50 miles (80.5 km) of an authorized service agency. Time and expense charges for anything beyond that distance will be the responsibility of the owner. All labor will need to be performed during regular service hours. Any overtime premium will be charged to the owner. For all shipments outside the U.S.A. and Canada, please see the International Warranty for specific details. It is the responsibility of the owner to inspect and report any shipping damage claims, hidden or otherwise, promptly following delivery. No mileage or travel charges will be honored on any equipment that is deemed portable. In general, equipment with a cord and plug weighing less than 50 lb. (22.7 kg) is considered portable and should be taken or shipped to the closest authorized service agency, transportation prepaid.

CONTACT

Should you require any assistance regarding the operation or maintenance of any Wells Manufacturing; phone, email or fax our service department. In all correspondence provide the model number and serial number of the unit needing service; include the voltage or gas type.

WARRANTY EXCLUSIONS

THE FOLLOWING WILL NOT BE COVERED UNDER WARRANTY.

Wells' sole obligation under this warranty is limited to either repair or replacement parts, subject to the additional limitations detailed below. This warranty neither assumes nor authorizes any person to assume obligations other than those expressly covered by this warranty.

- Any product which has not been used, maintained, or installed in accordance with the directions published in the appropriate installation sheet and/or owner's manual, including incorrect gas or electrical connection. Wells is not liable for any unit which has been mishandled, abused, misapplied, subjected to harsh chemicals, modified by unauthorized personnel, damaged by flood, fire, or other acts of nature [or God], or which have an altered or missing serial number.
- Installation, labor, and job checkouts, calibration of heat controls, air and gas burner/bypass/pilot adjustments, gas or electrical system checks, voltage and phase conversions, cleaning of equipment, or seasoning of griddle surface.
- Replacement of fuses or resetting of circuit breakers, safety controls, or reset buttons.
- Replacement of broken or damaged glass components, quartz heating elements, and light bulbs.
- Labor charges for all removable and consumable parts in gas charbroilers and hotplates, including but not limited to burners, grates, and radiants.
- Any labor charges incurred by delays, waiting time, or operating restrictions that hinder a service technician's ability to perform service.
- Replacement of parts that fail or are damaged due to normal wear or labor for replacement of parts that can be replaced during a daily cleaning routine, such as but not limited to silicone belts, PTFE non-stick sheets, control labels, knobs, bulbs, fuses, quartz heating elements, baskets, racks, and grease drawers.
- Any economic loss of business or profits.
- Non-OEM parts. Use of non-OEM parts without Wells' approval will void the warranty.
- Units exceeding one [1] year from original installation date, or more than eighteen [18] months from original purchase date, whichever comes first.

ADDITIONAL WARRANTIES

- Specific/chain-specific equipment may have additional and/or extended warranties.

The foregoing warranty is in lieu of any and all other warranties expressed or implied and constitutes the entire warranty.
